

GOVERNMENT OF BERMUDA

Ministry of Education

The Child Development Programme

Developmental Screening

Screenings are :

• **FREE**

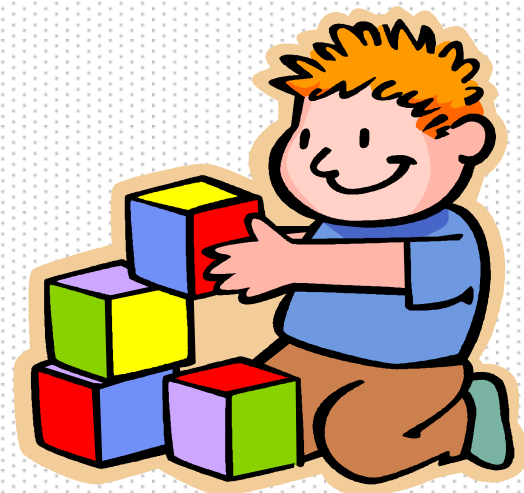

- offered to all families
- typically administered to children between the ages of 24 and 30 months
- Administered by competent, trained, and friendly testers
- able to help families learn about the kinds of things children are capable of

doing and learning at during this time.

Screenings look at your two year old's:

- problem solving skills
- speech and language development
- fine motor skills
- gross motor skills
- social skills

Call 295-0746 and schedule an appointment today.
