### Minister’s Technical and Vocational Award Application Question

#### Instructions

1. Please read the instructions and the essay question carefully.
2. Your answer must be typed in a single Word document and uploaded as part of your application on Bermudascholarships.com. Your answer should be no more than 250 words in length.
3. You must make sure that your full name and the date are typed at the top of the page of your essay question answer.
4. Please type the essay question and type the essay answer immediately under the essay question.

#### Essay Question

1. Please tell us about your technical and/or vocational interests and career aspirations.

## Application Tips

You should:

- **Begin your application as soon as possible.** Don't wait until the last minute in case you have problems getting all of the documents or have computer problems.
- **Ask for help** so that someone else can help you review and proofread your application. They can make sure that you have all of the needed documents and read over your answers.
- **Ask people who will write good letters to be your references.** Ask early enough to give them time to write strong letters of recommendation.
- **Read and reread the question asked so that you understand what is being asked.**
- **Make sure that you answer the application question asked,** rather than submit a personal essay.
- **Reflect on the question.** Think about your experiences, challenges, how you have grown, successes, and what you are good at. You should also think about what you are going to study and how getting this award would help you achieve your goals.
- **Even if you have someone helping you, you should carefully review your own application.** Make sure that you edit your answers so that they are clear and don't have any mistakes. Be sure to check that you have all of the documents needed for your application.
