

## GATE SUMMARY

The GATE Programme will identify and stimulate giftedness and talents in students. GATE will develop/ provide flexible programmes and establish community partnerships to challenge students and meet their needs, interests, learning styles to ensure their optimum development.

*“Every child is born with a gift,  
but not all open it at the same  
time.”*

L. Jensen

# GATE PROGRAMME

The Mission of the Bermuda Public School System is to deliver a rigorous curriculum customized to meet the needs of individual students, using challenging learning experiences, appropriate assessment, and efficient support that holds all accountable for a quality education in the 21st Century.

In the Bermuda Public School System a 'gifted and talented' student is one who performs or demonstrates the potential to perform at advanced levels, when compared to others of similar age, experience or environment, in any of the following areas:

- Standardized Intelligence, Aptitude or Achievement Tests
- One or more content areas
- Creative Thinking
- Visual and Performing Arts
- Leadership
