

dates to remember

Mid-Term Break for Students

October 21st - 25th

October

Reminders

Brigance Screening Tool

Teachers will use this tool to gain baseline academic information on each child (counting, forming shapes/lines, recognizing quantities, language, drawing lines, and gross motor skills). This information will be used to help plan and focus instruction for individual students and groups.

OUR Schedule

Mr. Peets, our **Guidance Counselor** presents interactive lessons on Fridays at 9:00. This month's focus will be on Honesty and Responsibility.

Al's Pals - We have introduced the first lessons in the Al's Pals program. This program is taught throughout all preschools and is designed to support the development of social skills and healthy choices. Puppets are used as a way to teach these fun and engaging lessons.

A Snapshot into

This month's LEARNING
