NEXT MONTH...

Family Christmas Craft Event
December 13th @ 1:30p.m.

November

Reminders

1. HOT LUNCH has begun. Orders due by **Wednesdays please.**

2. Please send a light jacket for Afterschool Care.

OUR Schedule

Al's Pals – Children will be learning how to identify their own feelings and connect with others' feelings. They will also learn strategies for calming down when having 'BIG' feelings.

As a part of our **Educational Therapist's** weekly lessons, students have been learning self-regulation strategies for listening and learning.

This month's LEARNING Goals

We will begin the **TREE STUDY** this month. The study builds upon children's interest in trees to help them explore science and social studies. The study also helps children develop an understanding of the characteristics of trees and their role in our natural and man-made worlds. During the study children will use skills in **literacy, math, technology** and **the arts** to investigate and represent their knowledge about trees.

PLEASE BEGIN HUNTING FOR UNIQUE TREE PARTS TO BRING TO SCHOOL FOR YOUR CLASS' SCIENCE AREA
