## Welcome!!!!

Welcome to St. George's Preschool! We are delighted that your child is part of our school family! We have certainly enjoyed getting to know your child over the course of these early days. Each day has been filled with fun and exciting adventures to help your child develop academically, and socially as we explore the Beginning the Year Study.

We will be learning and exploring many concepts and themes throughout this

year, and we are excited to begin our journey together.

Each month you will receive a calendar and a newsletter to let you know about our class activities, and important events in the classroom. We will also send all correspondence home in your child's folder, so please check it daily! Feel free to contact us if you have any questions or concerns.

We look forward to watching your child learn, grow, and flourish throughout this year.

We will host our annual Meet the Teacher night on Tuesday, October 8th, 2019.

After a brief meeting in our classrooms, please take the opportunity to meet other parents and have a classroom tour given by your child.

Hot Soup will be sold at \$5 a cup.

### School Shirts

If you have not received your school shirt today, please let Mrs. Pitcher know.

### Nightly Reading

St. George's Preschool strongly supports nightly reading. The benefits are numerous for early learners. Your child's teacher will soon send a Reading log for you to share with us your book selections as well as comments on your child's understandings and enjoyment of the books.

**Please be Reminded that children must be collected:**

**NO LATER THAN 3:00pm.**

All persons who collect your child, including van services should be aware of this policy.

Failure in following this policy will result in children being sent to the afterschool program. There is a fee of \$10 per day for this service.
